Contenance

#	Date	Completed by	Impact	Record
47	01/11/2017 06:30	An Other	3	Since she came home from hospital, Mo has been wetting the bed during the night and wetting herself when she's up. She seems not to notice. Very apologetic getup when I discover it - Impact 3

Cognition

#	Date	Completed by	Impact	Record
48	01/11/2017 09:37	An Other	2	I'm worried that Mo isn't responding as normal. She seems rather vague and sometimes confused. I've noticed this as a change since she came out of hospital a week ago - Impact 2

Other events

#	Date	Completed by	Impact	Record
50	02/11/2017 13:36	An Other	0	Took Mo to the GP today. Dr A reassured me again that Mo is on the mend. Prescribed antibiotics for urinary infection. - Impact 0

Contenance

#	Date	Completed by	Impact	Record
51	07/11/2017 06:39	An Other	3	5 days of antibiotics and no improvement. Mo still wetting repeatedly. Hard work trying to get her to the toilet before an accident. She says she doesn't need to go but then wets soon after - Impact 3

■ Skin

#	Date	Completed by	Impact	Record
52	07/11/2017 14:00	An Other	3	I'm worried about Mo's skin. She's sitting or lying in wet so often and the pads don't keep her dry. Skin looks sore and red where she sits in it - Impact 3

■ Cognition

#	Date	Completed by	Impact	Record
54	08/11/2017 13:52	An Other	2	I'm more worried about Mo because she's not herself at all her vagueness has turned into getting confused about where she is and who is in the house. - Impact 2

■ Other events

#	Date	Completed by	Impact	Record
53	09/11/2017 12:55	An Other	0	Just been to the GP. Tells me I need to change Mo's pads more often. Prescribed some cream for her skin. The district nurse will visit to review - Impact 0

■ Other events

#	Date	Completed by	Impact	Record
55	09/11/2017 14:20	An Other	0	District nurse visited. She's worried about Mo's skin - thinks she may need a catheter if she can't be continent. Will come back in a week - Impact 0

■ Contenance

#	Date	Completed by	Impact	Record
56	09/11/2017 23:23	An Other	3	Mo soiled herself this evening - Impact 3

■ Contenance

#	Date	Completed by	Impact	Record
57	10/11/2017 22:25	An Other	3	Mo continues to wet herself. No soiling today. I'm exhausted - Impact 3

■ Contenance

■ Contenance

#	Date	Completed by	Impact	Record
70	17/11/2017 22:06	An Other	3	Urinary incontinence unchanged. I'm still trying to get Mo up to the toilet regularly but it doesn't stop it - Impact 3

■ Skin

#	Date	Completed by	Impact	Record
---	------	--------------	--------	--------

#	Date	Completed by	Impact	Record
72	18/11/2017 14:58	An Other	3	Mo's skin is looking worse in spite of cream and better incontinence pads - Impact 3

■ Contenance

#	Date	Completed by	Impact	Record
71	18/11/2017 19:57	An Other	3	Mo is so uncomfortable and sore due to sitting in wet clothes or lying in a wet bed - Impact 3

■ Other events

#	Date	Completed by	Impact	Record
66	19/11/2017 14:50	An Other	0	Assessment day! They told me they didn't think this is bad enough to justify additional funding. The GP and occasional district nurse visits should be enough - Impact 0
